This is the first summer since childhood that I have been without freckles. I am 37 years old and have a better complexion now than when a girl."

Col. J. Q. Chenoweth, superintendent of the Confederate Home, reports 330 inmates of the Home, and that three more had been ordered in, two of whom he did not know what to do with until they arrived. Nearly fifty years since the close of the civil war and yet the homes for the indigent "old boys" all seem to be overcrowded. But, a few more years and there'll be plenty of room, for most of them will have answered their last roll call.

Do You Want to Yawn?

Feel cold shiverings, aching in the bones, lack of energy, headache, and great depression? These symptoms may be followed by violent headache, high fever, extreme nervousness, a condition known as malaria. Herbine cures it. Take it before the disease gets a fair hold, though it will work a cure in any stage. J. A. Hopkins, Manchester, Kan., writes: "I have used your great medicine, Herbine, for several years. There is nothing better for malaria, chills and fever, headache, biliousness, and for a blood-purifying tonic, there is nothing as good." 50c at W J Sedberry.
